

Congratulations ladies at the USAG Open Championships in Orlando, Florida!

We had a blast! For some it was their first airplane ride ever! The girls bonded as a team making fruit salads, having team pool parties, going out to dinner as a group, and cheering each other on at the competition. We had fun spending the afternoons together playing in the pool with their coach and building sand castles on the beach at night.

The meet was held at ESPN's Wide World of Sports at Disney. We arrived at the meet Friday evening just in time to meet Nastia Liukin. The girls got to take pictures with her and each of them got Nastia's autograph.

Competition Highlights:

The level 4's all scored above a 9.0 on Vault!

Ashley Schueck's elbow injury healed enough for her to compete Beam and Floor, receiving 2nd place on each- WOW!

Allie Paterson took the Bronze Medal on Floor!

Kaylie Kizer took 4th place on Vault!

Ashley Bair took 5th place on both Bars and Floor!
